<b>Name</b>	Response to the Province of Manitoba "Engaging Manitobans on Water Management.
<b>Description</b>	As the Province of Manitoba engages with Manitobans on a Water Management Strategy, we must keep in mind that our freshwater is not an endless resource. We have to live with our finite water resources and understand that we are all responsible to keep water healthy and accessible to everyone. Access to clean water is a basic human right, mandated by many countries, including the United Nations.
