Resource Category	documents
URL	https://umanitoba.ca/earth-observation-science/field-stories#manitoba-great-lakes-program
Name	Stories from the Field
Description	**Click the link above to view the field stories from the Manitoba Great Lakes Program webpage.** Students in CEOS conduct research that contributes to the global conversation on climate change and its effects on our planet. From their field research, they write stories and bring photos back from their experiences.
